BOOK SYNOPSIS

AP Psychology Crash Course - Gets You a Higher Advanced Placement Score in Less Time! Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. AP Psychology Crash Course gives you: Targeted, Focused Review - Study Only What You Need to Know
Crash Course is based on an in-depth analysis of the AP Psychology course description outline and actual AP test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Our easy-to-read format covers: history, research methods, biological bases of behavior, consciousness, motivation, developmental psychology, personality, abnormal behavior, and more. Expert Test-taking Strategies The author shares detailed question-level AP strategies and explains the best way to answer the multiple-choice exam questions. By following his expert advice, you can boost your overall point score. Take REA's Practice Exam After studying the material in the Crash Course, go online and test what you've learned. Our full-length practice exam features timed testing, detailed answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exam - this is one study guide every AP Psychology student must have!
