- ISBN : 1898281092

BOOK SYNOPSIS

This is a large format introduction to the Anglo-Saxon world, focusing on its spiritual and literary heritage. A large part of the book is dedicated to the Anglo-Saxon Rune Poem, the most complete account of runic writing we have inherited. The runic signs and riddles which accompany each of them (presented in Old English and modern translation) are dramatically brought to life by Brian Partridge's evocative drawings.
