## **BOOK SYNOPSIS**

One of the most authentic and consistently illuminating portraits of police work ever, *Blue on Blue* describes the fascinating inner workings of the world's largest police force and Chief Charles Campisi's unprecedented two decades putting bad cops behind bars. From 1996 through 2014 Charles Campisi headed NYPD's Internal Affairs Bureau, working under four police commissioners and gaining a reputation as hard-nosed and incorruptible. When he retired, only one man on the 36,000-member force had served longer. During Campisi's IAB tenure, the number of New Yorkers shot, wounded, or killed by cops every year declined by ninety percent, and the number of cops failing integrity tests shrank to an equally startling low. But to achieve those exemplary results, Campisi had to triple IAB's staff, hire the very best detectives, and put the word out that bad apples wouldn't be tolerated. While early pages of Campisi's absorbing account bring us into the real world of cops, showing, for example, the agony that every cop suffers when he fires his gun, later pages spotlight a harrowing series of investigations that tested IAB's capacities, forcing detectives to go undercover against cops who were themselves undercover, to hunt down criminals posing as cops, and to break through the "blue wall of silence" to verify rare—but sometimes very real—cases of police brutality. Told in an edge-of-the-seat way by a born storyteller, *Blue on Blue* puts us in the scene, allowing us to listen in on wiretaps and feel the adrenaline rush of drawing in the net. It also reveals new threats to the force, such as the possibility of infiltration by terrorists. Ultimately, the book inspires awe for the man who, for almost two decades, was entrusted with the job of making sure the words "New York's Finest" never ring hollow. A truly revelatory account, *Blue on Blue* will forever change the way you view police work.

**BLUE ON BLUE AN INSIDER'S STORY OF GOOD COPS CATCHING BAD COPS** - Are you looking for Ebook *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops*? You will be glad to know that right now *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops*. To get started finding *Blue On Blue An Insider's Story Of Good Cops Catching Bad Cops*, you are right to find our website which has a comprehensive collection of manuals listed.
