## BOOK SYNOPSIS

A broken truck, a broken career, and a breakup heard around the world land superstar John Tennessee McCord in Hellcat Canyon. Legend has it that hearts come in two colors there: gold or black. And that you can find whatever you're looking for, whether it's love . . . or trouble. JT may have found both in waitress Britt Langley. His looks might cause whiplash and weak knees, but Britt sees past JT's rough edge and sexy drawl to a person a lot like her: in need of the kind of comfort best given hot and quick, with clothes off and the lights out. Her wit is sharp but her eyes and heart—not to mention the rest of her—are soft, and JT is falling hard. But Britt has a secret as dark as the hills, and JT's past is poised to invade their present. It's up to the people of Hellcat Canyon to help make sure their future includes a happily ever after. "Julie Anne Long's writing glows with emotional intensity and strong, passionate characterization." JAYNE ANN KRENTZ
