BOOK SYNOPSIS

Addresses the Aging Process and Its Effect on Sports Performance Age-related changes influence all physiological systems, including those used during exercise and sport. Highlighting masters athletes—older adults who train and compete in organized sports—Nutrition and Performance in Masters Athletes examines the extent to which regular physical training can impact these changes. This book bridges the gap between theory and practice, addressing nutritional, exercise and sport sciences, and the actual performance of masters athletes and older exercisers. It reviews in detail many age-related changes that occur in the physiological systems, provides implications of these changes for masters athletes, coaches and clinicians, explores scientifically-based methods to maximize sprint, strength and power, team sport players, endurance and ultra-endurance performance, and focuses on the unique nutritional needs of master athletes. Examines the Growing Body of Knowledge on Masters Athletes Each chapter has been written by a world-leading authority in their field. Contributors focus on a specific topic and discuss available research. Incorporating information from studies on younger and older athletes and healthy older non-athletes, they help determine the training and nutrition implications for sports medicine professionals and clinicians, masters athletes and coaches, and future research directions for academic and postgraduate students. The book includes material on endurance, ultra-endurance, speed, strength and power, and team sports athletes. Sections cover macronutrients (carbohydrate, fat and protein needs), micronutrients (vitamin and mineral needs), fluids and hydration; supplements and ergogenic aids, nutrition for chronic disease, and the training/nutrition needs of every type of masters athletes. Nutrition and Performance in Masters Athletes is highly recommended for medical and health professionals, fellow academics, postgraduates with an interest in masters athletes, as well as masters athlete coaches and masters athletes, and administrators wanting to assist their members.

NUTRITION AND PERFORMANCE IN MASTERS ATHLETES - Are you looking for Ebook Nutrition And Performance In Masters Athletes? You will be glad to know that right now Nutrition And Performance In Masters Athletes is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Nutrition And Performance In Masters Athletes may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Nutrition And Performance In Masters Athletes and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Nutrition And Performance In Masters Athletes. To get started finding Nutrition And Performance In Masters Athletes, you are right to find our website which has a comprehensive collection of manuals listed.
